Illustrator and Graphic Designer

I am a conscientious and enthusiastic professional with 2 years experience in illustration and graphic design.
I am highly organised and efficient individual with a passion for visual communication, whose thorough
and diligent approach to design has yielded excellent professional results. Since working in the creative field I have
developed skills in Illustration, Graphic Design, Motion Graphics, Video creation and Vector Graphics. I possess a
sharp eye for creative detail, the ability to multi-task and the ambition to portray stories authentically.
